Covid-19 Property guidelines 6/17/2020

We want to reassure each Member that we are taking COVID-19 and your safety very seriously. We have worked tirelessly to implement appropriate protective measures and protocols aimed at reducing the likelihood of infection. With that said, if you show any signs of Covid-19 or feel you have been exposed, please stay home. Also, if you feel uncomfortable coming to the club, please stay home. We are all aware as soon as we step foot out of our house we could be “at risk”.

We are excited to announce we will be opening the bar for OUTSIDE SERVICE beginning on Thursday, June 18th. The bar will be open:

Thursday	5 – 9 ish
Friday	5 – 9 ish
Saturday	1 – 9 ish
Sunday	12 - 8

Property Protocols

To ensure the safety of our Members and Stewards and in compliance with New Jersey guidelines for outdoor usage, we are implementing a variety of safety protocols. The highlights are as follows:

- Tables will be arranged to ensure ten feet of separation in all directions and be limited to a capacity of eight patrons per table.

Seaside Park Yacht Club

Seaside Park, NJ 08752

- Drinks can be ordered through bar window and the bartender will place the drink on table in front of the West door entrance.
- No Smoking on any part of club property.
- Markings for the bar line will be placed 6 feet apart.
- Tables, chairs, any other shared items, and high touch areas will be disinfected between each seating.
- You will notice that our Stewards will be wearing masks and gloves and maintaining six feet of separation from Members whenever possible.
- Members only, no guests.
- We will require that Members maintain social distancing at all times.
- There will be no contact between members, excluding immediate family members, house members or caregivers.
- Hand sanitizer will be available and signage will be posted in highly visible locations regarding social distancing protocols.
- While utilizing outside patio, we recommend you use face masks.
- We will promote our “cashless” system using “house accounts” with last name. We are doing away with cards. However, if needed we can accommodate and have sanitizer for your protection.
- While the interior of the Clubhouse will remain closed in compliance with the Governor's Executive Order, interior access will be permitted for use of the restrooms **provided a proper face mask is used.**

- We will limit one member in the bathroom at a time and will be following CDC guidelines for bathroom cleaning. There will be signage advising anyone waiting for the restroom that they must wait outside.

Finally, please be patient with your servers and bartenders. This is new for everyone and we will work out the kinks. Also, please abide by the above rules as we do not want to move backwards.
